Class Schedule 2011/2012

Gymnastics

For more information, visit us online at www.thesundancestudio.com

Welcome to SunDance Gymnastics!

Our 15,000 square-foot facility (opened in February 2003 and expanded in August 2005) offers three dance studios and a gym complete with a ground-level tramp, competitive spring floor, uneven bars, balance beams, vault, rings, pommel horse, foam pit, climbing wall, channel pit and two tumble tracks. We offer recreational and competitive gymnastics for both boys and girls, as well as tumbling classes for cheerleaders.

Kinder

Our Kinder program provides a fun place for kids to explore gymnastic skills, play games, learn movement education, and develop self-confidence. We have Baby Bugs parent/child classes for younger toddlers (18 mo.-2 years), Tumble Bugs classes for older toddlers (2-3 years), and for preschool children (3-6 years), a variety of classes in Levels 1-4, depending on age and ability.

Recreational

Our Recreational program is for youth ages 5-18. Through these classes, students increase strength, create body awareness, and improve coordination and balance. Our teachers keep the kids active, entertained and challenged, and gymnastic skills create an excellent base for fitness development (for any sport). Our goal is for kids to be excited about gymnastics and to develop a love for the sport.

Competitive

For those children who wish to compete (beginning at Hot Shots/Pre-Team/Level 4 and continuing through Optionals for Eagles and Levels 7+ for USAG). Boys compete USAG Levels 4 through 10. Meets are held in the fall (USAG) and spring (Eagles) at various clubs throughout Colorado Springs and Denver.

Boys

Boys classes are available within the Kinder, Recreational and Competitive Programs.

Our gymnastics program is run by SunDance owners Steve and Kathy Clowes, and SunDance is proud to have many wonderful and talented instructors who have years of experience teaching both children and adults.

Please feel free to stop by the Studio for more information or for a tour of our facility. If you would like to have your child evaluated for placement into our program, please call us for an appointment at 719.481.8208

The Many Benefits of Gymnastics

Gymnastics is one of the most comprehensive "lifestyle exercise programs" available to children, incorporating strength, flexibility, speed, balance, coordination, power and discipline.

Educational benefits

Children who participate in gymnastics/movement education activities have longer attention spans, increased communication skills, general problem-solving skills and improved self-esteem.

Physical health benefits

Healthy activities like gymnastics keep children off the couch and engaged in a healthy lifestyle, and active children are more likely to grow up to become active, healthy adults.

Participation in gymnastics also helps athletes become more flexible. Baseball players, basketball players, football and soccer players all benefit from increased flexibility, and gymnastics builds flexibility better than any other sport. In addition, flexibility helps limit injuries.

And studies show that resistance training, an important facet of gymnastics, improves joint health, maintains muscular development and improves cardiovascular fitness.

Emotional health benefits

Studies show that the more time children ages 10 to 16 spend being active, the higher their self-efficacy and self-esteem.

In addition, statistics show that children who actively engage in organized "positive choice" extra-curricular activities such as youth sports are less likely to be involved in self-destructive and anti-social behavior and juvenile crime. These youths also have better school attendance rates, lower anxiety and depression, and decreased use of drugs, tobacco and alcohol.

Social benefits

Gymnastics provides children with an opportunity to meet with friends, make new friends and have fun!

Where else can you fly through the air, swing, jump, flip, vault, bounce and twist? At SunDance, of course!

New Class Descriptions

You will find the following chart helpful when choosing classes for our Fall Session:

- For ages 3 through 6
- KL1 with 0 to 1 year of gymnastics experience
- KL2 with 1 year of gymnastics experience
- KL3 with 2 years of gymnastics experience
- New-Stars(girls) Firecrackers (boys) 4-6 yr with 0-1 yr experience
- Mini-Stars(girls) Dynamites(boys) 4-6 yr with more than 1 yr experience
- Level 1 ages 7+ with less than 1 year of gymnastics experience
- Level 2 ages 7+ with 1-2 years of gymnastics experience
- Level 3 ages 7+ with more than 3 years of gymnastics experience
- Level 4 ages 8+ by coach invitation

The following classes meet twice a week and students are invited by the coach to attend:

- Shining Stars(girls) Jr. Stars(boys) 6+ with more than 3 yrs experience
- Super Stars(girls) All Stars(boys) 6+ with more than 4 yrs experience
